1. ABOUT DATIX AI

Datix AI is a AJK-based technology company specialising in artificial intelligence, data science and modern web development. We build fast, secure, professionally designed websites and digital systems for businesses in Pakistan and the United Kingdom combining strong visual design with the engineering quality expected of international products.

2. THE KCG WEBSITE PROJECT

Datix AI has designed and built a complete, live website for Kashmir Construction Group at <https://kashmirconstructiongroup.com>, including:

- **Custom premium design** in KCG's own forest-green and gold brand mixing with AJK flag, with cinematic scroll animations and **drone video footage of KCG's own site**.
- **Private Admin Panel**: KCG can add, edit or delete projects, services, photos and all home-page text and contact details at any time, with no coding.
- **Contact form with message inbox**, WhatsApp button, Google-ready structure, mobile-first responsive layout and a branded share image for WhatsApp/Facebook.
- **Performance & security**: Google Lighthouse score of 100 on desktop, security headers, protected database rules and spam filtering.
- **Domain and business email**: kashmirconstructiongroup.com and info@kashmirconstructiongroup.com, registered for 3 years.

3. PACKAGE OPTIONS

* GBP shown for convenience at approximately Rs 375 = £1. The PKR amount is the binding price.

What each package gives KCG

- **Package 1 - Website:** a complete, professional online presence with full control through the Admin Panel. Ideal if KCG will share the website link directly with clients.
- **Package 2 - Website + SEO (recommended):** everything in Package 1, plus search-engine optimisation so KCG appears on **Google Search and Google Maps** when people search for “construction company Dadyal”, “builders in Mirpur” and similar. This brings new customers — including overseas Kashmiris in the UK — who do not yet know KCG.
- **Package 3 - Complete Care:** everything in Package 2, plus **12 months of maintenance:** adding new videos, design changes, security updates, backups, fixes and admin support — worth over Rs 20,000 per year on its own.

5. TERMS OF AGREEMENT

5.1 Review & testing period. From the date Datix AI notifies KCG that the website is ready, KCG has **24 hours** to test the website and Admin Panel and send any modifications they want, in writing (WhatsApp or email). Reasonable changes within the scope above are included at no extra cost. New features outside this scope will be quoted separately.

5.2 Acceptance. The website is accepted when KCG confirms it, or automatically when the 24-hour review period ends without written modification requests. Requested modifications will be completed by Datix AI, after which the website is accepted.

5.3 Package selection & payment. KCG selects one package in Section 6. The **full total of the chosen package** (development fee + Rs 17,600 for domain and email) is payable within **3 days of acceptance**, by bank transfer or another method agreed in writing.

5.4 Domain & email. kashmirconstructiongroup.com and the business email are registered for 3 years (until October 2029). On full payment, Datix AI will transfer the domain and email to KCG's own account. Renewal fees after this period are KCG's responsibility.

5.5 Ownership. On full payment, KCG owns the website, its content and the domain. Datix AI keeps the right to show the project in its portfolio, and the "Designed & Developed by Datix AI" credit remains in the website footer.

5.6 Hosting & third-party services. The website uses third-party services (website hosting, Google Firebase database and login, domain registrar). Any paid plans these services require for business use are KCG's cost. Datix AI is not liable for outages of third-party services.

5.7 Maintenance (Package 3). Covers 12 months from acceptance: content and video updates, small design changes, security updates, backups, fixes and admin support. Major new sections or features are quoted separately.

5.8 Content responsibility. KCG is responsible for the accuracy of business information and for having the rights to all photos, videos and text it provides or uploads.

5.9 Late or non-payment. If payment is not received within 5 days of acceptance, Datix AI may suspend the website and keep the domain and email in its account until payment is made.
